Hi Linda:

Attached is a copy of the Public Notification that we have drafted. The Navy has reviewed it and would like to pass it along to you for any comments that you might have. Please send me your comments as soon as possible. I am planning on e-mailing it to the local papers for publication.

Thanks  
Hamlet

**NOTICE OF AVAILABILITY OF THE  
ACTION MEMORANDUM  
FOR CERCLA TIME-CRITICAL REMOVAL ACTION  
AT INSTALLATION RESTORATION SITE 11B  
NATIONAL AERONAUTIC AND SPACE ADMINISTRATION FLIGHT  
FACILITY CROWS LANDING  
CROWS LANDING, CALIFORNIA**

The Department of the Navy (DON) provides this notice of availability of the Action Memorandum detailing a Time-Critical Removal Action under the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) at Installation Restoration Program (IRP) Site 11B, located at National Aeronautic and Space Administration (NASA) Flight Facility Crows Landing, Crows Landing, California. The document is available on January 18, 2007 for public review at the Patterson Public Library, located at 46 North Salado, Patterson, California.

The investigations at IRP Site 11B determined that the buried waste at the site could contain potentially hazardous munitions and explosives of concern (MEC) and chemical substances and poses a potential threat to human health and the environment at the site.

The Action Memorandum, the Administrative Record Index, and other reports about the site are available for public inspection and copying at the following public information repository:

**Patterson Branch Library  
46 North Salado  
Patterson, California 95363  
(209) 892-6473**

The Administrative Record for Crows Landing is located at:

**Naval Facilities Engineering Command Southwest  
1220 Pacific Highway, San Diego, CA 92132-5190  
Ms. Diane Silva, Code 4MG.DS, (619) 532-3676**
