Dear Mr. Mavity:

As requested at the TCE Cleanup Citizens Advisory Committee meeting on December 14, 1989, the Marine Corps Air Station (MCAS) El Toro Off-Station Remedial Investigation Workplan is enclosed. This investigation is part of the Installation Restoration (IR) program at MCAS El Toro and Tustin. The IR program is a Department of Defense initiative to assess and cleanup past hazardous waste disposal sites.

Please review and comment on this workplan and provide any comments in writing to MCAS El Toro (1JG), Santa Ana, CA 92709-5001, by January 16, 1990. Your comments, as well as those from other organizations, will be addressed at a meeting on January 23, 1990 at 10:00 a.m., at MCAS El Toro Headquarters, building 65.

If you have any questions, please contact the Environmental Director, LTJG Michael Rehor, at (714) 726-2821.

J. E. LANCE, CAPT, CEC, USN
Director, Facilities Mgmt. Dept.
