**RE: Marine Corps Air Station El Toro  
Tank #462B and Oil/Water Separator #462A  
Santa Ana, CA 92709**

Dear Mr. Gould:

This is in response to your request for a confirmation of the completion of the tank and oil/water separator abandonment project. With the provision that the results for the soil samples obtained during site assessment activities in May 1991 and on May 21, 1998, were accurate and representative of existing conditions, it is the position of this office that no significant soil contamination has occurred at the above noted facility location.

It should be pointed out that this letter does not relieve you of any responsibilities mandated under the California Health and Safety Code if additional or previously unidentified contamination is discovered at the subject site.

If you have any questions regarding this matter, please contact Arghavan Rashidi-Fard at (714) 667-3713.

Sincerely,

Seth J. Daugherty
