FINAL PROJECT WORK PLAN FOR PAVEMENT DEMOLITION ACTIVITIES AT
INSTALLATION RESTORATION PROGRAM (IRP) SITE 3 AND METALLIC DEBRIS
DISPOSAL FROM IRP SITE 1, MARINE CORPS AIR STATION (MCAS) EL TORO

Dear Mr. Gould:

The Department of Toxic Substances Control (DTSC) reviewed the referenced final Project Work Plan (Work Plan) dated December 18, 2000. The Work Plan describes the objectives and procedures for activities to be conducted at Sites 1 and 3 in preparation for the upcoming radiological survey. Activities include pavement demolition at Site 3 and metallic debris disposal from Site 1.

After review of the Work Plan and associated response to comments, DTSC is satisfied that comments forwarded in our December 1, 2000 letter have been adequately addressed in the final Work Plan.

Please contact me at (714) 484-5395 if you have any questions.

Sincerely,

Triss M. Chesney, P.E.
