Dear Mr. Morgan

Enclosed is the Plan of Action (POA) for the Perimeter Investigation to be conducted at the Marine Corp Air Station (MCAS) El Toro. This POA incorporates your comments expressed at our meeting on 20 May 1987, which we felt had technical merit, would increase the efficacy of the investigation and which could be accomplished under scope and budget constraints. Negotiations with our contractor, James M. Montgomery, Consulting Engineers, Inc., should be completed by the end of September 1987. We intend to start the work described in the POA before the end of December 1987.

We appreciate the efforts you have expended in reviewing the draft POA's we have sent to you and your attendance at our meetings. If you have any questions please contact Mr. Ernest Cerini at 619-696-5461.

Sincerely,

STUART SUNDERLAND

Head, Southwest Environmental Section
