Dear Mr. Joyce:

As discussed in our BRAC Cleanup Team 9/4/96 conference call, EPA supports the State of California's request for a 30 day extension to review the "OU 1 Draft Final Interim Action Feasibility Study Addendum." This will enable all reviewers to coordinate review of the OU 1 (offsite groundwater plume) documents and the "Draft OU 2A [onsite groundwater plume] Feasibility Study," also currently under review. If you would like to discuss this matter further, please call me at 415/744-2368.

Sincerely,

Bonnie Arthur
