Dear Mr. Broderick:

Although Cleanup and Abatement Order No. 87-97 has been rescinded, we are forwarding the MCAS El Toro Interim Groundwater Treatment System Monthly Reports for the months of September 1992, March 1993, April 1993, May 1993, and June 1993 for your information.

These reports contain a summary of activities associated with the treatment system, a discussion of results, and all analytical data. The carbon unit was replaced in February, 1993. We had pump and system problems between October 1992 and February 1993.

If you have any further questions or comments, please contact Mrs. Chrisa Mitchell, Environmental Engineer, at (714) 726-6607 or Mr. Andy Piszkin of Southwest Division, Naval Facilities Engineering Command at (619) 532-1239.

Sincerely,
