RE: Extension Request for Installation Restoration Program (IRP) Sites 16, Federal Facility Agreement (FFA) Appendix A
Former Marine Corps Air Station (MCAS) El Toro, California

Dear Mr. Piszkin:

The U.S. Environmental Protection Agency (EPA) has reviewed the extension request and updated FFA Appendix A schedules for IRP Sites 16 at the former MCAS El Toro.

The extension request is for the delivery of the Draft Remedial Design and also effects the delivery schedule for the Draft Operating Properly and Successfully Report by a corresponding timeframe. The EPA approves of this extension request for IRP Site 16.

If you should have any questions, please feel free to call me at 415-972-3349.

Sincerely,
