### COMMENTS ON UNEXPLODED ORDNANCE (UXO) SURFACE SWEEP WORK PACKAGE, EOD RANGE (SITE #1) MARINE CORPS AIR STATION, EL TORO

Dear Mr. Gould;

We have completed our review of the above-referenced document dated April 4, 2001, which we received on June 27, 2001. The work plan tasks include locating and marking surface ordnance, in order to verify that no surface ordnance remains present a hazard to workers who will be conducting the subsequent radiological survey.

We do not have any comments on the work plan.

If you should have any questions, please call me at (909) 782-4498 or send e-mail to [phannon@rb8.swrcb.ca.gov](mailto:phannon@rb8.swrcb.ca.gov).

Sincerely,

Patricia A. Hannon  
SLIC/DoD/AGT Section
