RESPONSE TO COMMENTS DRAFT PROJECT WORK PLAN FOR PRE-DESIGN
ACTIVITIES AT OPERABLE UNIT 2C, INSTALLATION RESTORATION PROGRAM
SITES 3 AND 5 MARINE CORPS AIR STATION (MCAS) EL TORO

Dear Mr. Gould:

The Department of Toxic Substances Control (DTSC) reviewed the above response to comments for the above referenced Work Plan. The response to comments were received by this office by electronic mail on November 20, 2001. The response addresses DTSC's comments on the draft Work Plan submitted in a letter dated September 11, 2000. The Work Plan describes the objectives and procedures for pre-design activities that include trenching to verify the landfill boundaries at Sites 3 and 5.

DTSC finds that our comments have been adequately addressed and should be incorporated into the draft final Project Work Plan.

Please contact me at (714) 484-5395 if you have any questions.

Sincerely,

Triss M. Chesney, P.E.
Remedial Project Manager
Southern California Branch
Office of Military Facilities

*The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption.
For a list of simple ways you can reduce demand and cut your energy costs, see our Web-site at www.dtsc.ca.gov.*
