### COMMENTS ON DRAFT FINAL SOIL REMOVAL REPORT, OU-1B, IRP SITES 3 AND 12, FORMER MARINE CORPS AIR STATION, TUSTIN

Dear Mr. Newton:

We have completed our review of the above-referenced document, dated March 2006, which we received on April 3, 2006. The report describes the removal of trichloroethylene contaminated soil from five locations within IRP Site 3 and one location within IRP Site 12.

The responses to our comments on the draft version of this document are satisfactory. We do not have any further comments.

If you should have any questions, please call me at (951) 782-4498 or send e-mail to [phannon@waterboards.ca.gov](mailto:phannon@waterboards.ca.gov).

Sincerely,

Patricia A. Hannon
