### COMMENTS ON DRAFT WORK PLAN, AQUIFER CHARACTERIZATION AND TREATABILITY TESTING, IRP SITE 1, FORMER ORDNANCE DISPOSAL RANGE, FORMER MARINE CORPS AIR STATION, EL TORO

Dear Mr. Piszkin:

We have reviewed the above referenced document, dated January 27, 2005, which we received on January 27, 2005. This work plan presents the aquifer characterization approach and describes the proposed tasks to support evaluation of the perchlorate plume at IRP Site 1. We verbally discussed comments on Attachment 4, CytoCulture Laboratory Microcosm Study Procedures, with Mr. Gordon Brown, Navy Remedial Project Manager on February 16, 2005. We have no further comments.

For any questions, please call me at (951) 782-4494, or send email to [jbroderick@waterboards.ca.gov](mailto:jbroderick@waterboards.ca.gov).

Sincerely,

  
John Broderick
