## COMMENTS ON DRAFT WORK PLAN, DESTRUCTION OF INACTIVE MONITORING WELLS AT SELECTED SITES FORMER MARINE CORPS AIR STATION, EL TORO GEOTRACKER NO. T0605964530

Dear Mr. Weissenborn:

We have reviewed the above referenced document, dated June 20, 2007, which we received on June 22, 2007.

This work plan presents procedures for decommissioning inactive groundwater monitoring wells, which will be in accordance with State well standards. It is a general plan that can be applied at various sites. Specific wells selected for decommissioning will be identified in separate notification reports. Well destruction reports will be completed. We request that a copy of the subsequent notification report(s) and well destruction report(s) be submitted to us.

We hereby approve the work plan. For any questions, please contact me at (951) 782-4494, or send email to [jbroderick@waterboards.ca.gov](mailto:jbroderick@waterboards.ca.gov).

Sincerely,

John Broderick
