**EXTENSION REQUEST FOR REVIEW OF THE DRAFT FINAL INTERIM ACTION  
FEASIBILITY STUDY REPORT (IAFS), OPERABLE UNIT (OU) 1, MARINE CORPS  
AIR STATION (MCAS) EL TORO**

Dear Mr. Joyce:

The Department of Toxic Substances Control has received a request from the California Regional Water Quality Control Board dated August 29, 1996. The letter requests a 30-day extension to the review period for the subject document until October 11, 1996. The extension will allow the State to coordinate review of the voluminous OU-1 IAFS document [offsite volatile organic compounds (VOCs) groundwater contamination] with the Draft Phase II Feasibility Study Report for OU-2A (VOC source area onsite), both dated August 9, 1996.

We look forward to working with you to facilitate cleanup efforts at MCAS El Toro. If you have any questions, please call me at (310) 590-4891.

Sincerely,

Tayseer Mahmoud  
Remedial Project Manager  
Base Closure Unit  
Office of Military Facilities  
Southern California Operations
