**REQUEST FOR EXTENSIONS TO THE FEDERAL FACILITY AGREEMENT  
(FFA) SCHEDULES, MARINE CORPS AIR STATION (MCAS) EI TORO**

Dear Mr. Joyce:

The Department of Toxic Substances Control (DTSC) is in receipt of your request for FFA schedules extension via a facsimile on March 18, 1997. The request was dated March 12, 1997 and addressed to the United States Environmental Protection Agency (USEPA). Per Section 9.1 of the FFA, all requests by a Party will be submitted to all Parties involved in a concurrent and timely-manner. The extension request should be addressed to all three regulatory agencies signatories per the FFA. Therefore, we request that you address your request to DTSC and the Santa Ana Regional Water Quality Control Board.

Notwithstanding, any prior verbal discussions with DTSC's Remedial Project Manager including any indication of support to the FFA extensions, the approval is still subject to our management approval. Therefore, all future extension requests should be addressed separately to Mr. John Scandura, Chief, Southern California Operations, Office of Military Facilities and a copy to me.

We will respond to your extension request as soon as we receive a request properly addressed to DTSC. Thank you for your cooperation. If you have any questions, please call me at (562) 590-4891.

Sincerely,

Tayseer Mahmoud
