**COMMENTS ON DRAFT ACTION MEMORANDUM, TIME-CRITICAL REMOVAL
ACTION, INSTALLATION RESTORATION PROGRAM SITE 1 ADJACENT
PROPERTY, FORMER MARINE CORPS AIR STATION, EL TORO
GeoTracker No.: DOD100136000**

Dear Mr. Callian:

We have reviewed the above-referenced document, dated November 30, 2009, which we received on December 1, 2009.

This memorandum presents the decision to undertake a removal action for potential explosive safety hazards of concern on property adjacent to the west of Installation Restoration Program Site 1. The potential munitions and explosives of concern located on the adjacent property are a result of historical past explosive ordnance disposal training activities that were conducted within Site 1.

We have no comment on this draft action memorandum.

For any questions, please call me at (951) 782-4494, or send email to jbroderick@waterboards.ca.gov.

Sincerely,

John Broderick
Site Cleanup/DoD Section
