COMMENTS ON DRAFT FINAL GROUNDWATER FEASIBILITY STUDY, INSTALLATION RESTORATION PROGRAM SITES 1 AND 2, FORMER MARINE CORPS AIR STATION, EL TORO GeoTracker Nos. DOD100136000 & DOD100131200

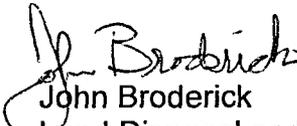

Dear Mr. Callian:

We have reviewed the above-referenced document, dated September 2010, which we received on October 1, 2010. This report presents the development and evaluation of remedial alternatives to address potential risks to human health and the environment due to impacted groundwater at the former Explosive Ordnance Disposal Training Range (Site 1) and Magazine Road Landfill (Site 2) release sites.

We have no comments on this draft final feasibility study report.

For any questions, please call me at (951) 782-4494, or send email to jbroderick@waterboards.ca.gov.

Sincerely,

John Broderick
