Subj: WORK PLANS FOR SITE STUDY FOR ADMINISTRATIVE AND TRAINING FACILITY,
NAVAL STATION, TREASURE ISLAND, HUNTERS POINT ANNEX

In our letter of October 23, 1987, we provided our schedule for accomplishing the work plans and reports for site studies at Military Construction (MILCON) projects at Hunters Point Annex. We also indicated that we would provide copies of the draft work plans for your review and comments. The purpose of the site studies is to assess the suitability of each proposed site for construction of the planned projects.

Enclosure (1) is the draft work plan for the Administrative and Training Facility (MILCON Project P-904). Two work plans for site studies for the Public Works Complex-Auto Repair Shop and the Medical/Dental Facilities were forwarded in our letter of December 30, 1987. The remaining work plans are under preparation and will be forwarded for review as soon as they are completed.

We request that you review enclosure (1) and provide comments to Commander, Western Division, Naval Facilities Engineering Command, (Attn: Mr. Alex E. Dong, 1146, (415) 877-7504). We appreciate your cooperation in expediting your review and providing your comments within 30 days of the date of this letter.
