Dear Mr. Tung:

QUALITY ASSURANCE PROJECT PLAN - HUNTERS POINT ANNEX

We received a letter dated April 29, 1988 from the Western Division, Naval Facility Engineering Command, requesting an extension for submittal of the Final QAPP. The request indicated the additional time was needed because the Navy had not received EPA's comments. It is our understanding that shortly after making the request, the Navy received EPA's comment on May 3, 1988. The Department hereby extends the submittal date for Final QAPP to June 3, 1988.

If you have any questions, please contact Chein Kao of this office at (415) 540-3052.

Sincerely,

Howard K. Hatayama, Chief
