Dear Commander:

Pursuant to your memorandum dated 06 June 1989, we are unable to submit review comments regarding the Final Project Management Plan, Naval Station, Treasure Island, Hunters Point Annex at this time. We presently do not have enough available resources to do so.

As you know, Hunters Point, CA has been proposed for the National Priorities List (NPL). In the upcoming months, we plan to assign someone to this site, and will send review comments then.

This letter is not to be taken as approval or disapproval of the above referenced report.

If you have any questions, I can be reached at (415) 974-8904.

Sincerely,

Julie Anderson, Chief
Federal Enforcement Section
