Mr. Howard Hatayama
Department of Health Services
State of California
Toxic Substances Control Division
North Coast Section
2151 Berkeley Way, Annex 7
Berkeley, CA 94704

Dear Mr. Hatayama:

Enclosed please find a Workplan for the Treatment and Removal of Metal Contaminated Sandblasting Grit at Naval Station, Treasure Island, Hunters Point Annex. This document incorporates changes made in response to comments generated on the draft workplan. No comments were received on the draft Action Memorandum and Engineering Evaluation/Cost Analysis.

This project will be included as an agenda item at the Agency Meeting on October 11, 1989. Representatives from the Naval Civil Engineering Laboratory (NCEL) and Battelle will be present to address any final comments generated by these documents. It is our desire to begin work on this project October 16, 1989.

By copy of this letter, the revised workplan is also being submitted to other concerned regulatory agencies for their information.

Sincerely,

Original signed by:

L. A. NICHLIN
Lieutenant Commander, CEC, USN
Director, Office of Environmental
Management
