Dear Mr. Flippo:

In accordance with the Federal Facility Agreement for Naval Station, Treasure Island, Hunters Point Annex, (HPA), and your phone conversation with Ms. Julie Carver of the U.S. Navy on November 27, 1990, this letter and its attachments serve as the Navy's response to the Environmental Protection Agency's comments dated November 1, 1990 for the Draft Final Removal Action Work Plan for the Tank Farm (IR-6).

The attached Addendum to the Draft Final Removal Action Work Plan for the Tank Farm should simply be inserted into the existing Draft Final document dated September 13, 1990. This response, in conjunction with the existing work plan and the Asbestos Abatement Work Plan Addendum when approved, will constitute the Final Removal Action Work Plan (Phase I) for the Tank Farm at HPA. A copy of this letter should be inserted after the title page of the work plan to document the revisions.

Should you have any questions regarding this matter, the point of contact is Commander, Western Division, Naval Facilities Engineering Command (Attn: Julie Carver, Code 1811JC, (415) 244-2557).

Sincerely,
