Dear BCT Members:

Enclosure (1) is the Final Work Plan for the Parcel E Groundwater Treatability Study, Hunters Point Shipyard of July 24, 2009. Included in enclosure (1) as an appendix is the Response to Comments (RTCs) on the draft version of the work plan. An over-the-shoulder review of the RTCs was conducted by the regulators. Additional comments on the RTCs were received only from the Department of Toxic Substances Control (DTSC). The RTCs included in enclosure (1) were revised to address additional comments from DTSC. The requested field forms by DTSC were included in a Sampling Analysis Plan (SAP) addendum 1 and attached to the final SAP. Field work will start on July 28, 2009.

If you have any questions, please call Ms. Hamide Kayaci at (619) 532-0930 or me at (619) 532-0913.

Sincerely,

A handwritten signature in black ink, appearing to read "Keith Forman", written over a horizontal line.

KEITH FORMAN  
BRAC Environmental Coordinator  
By direction of the Director
