Subject: NAVAL STATION TREASURE ISLAND, HUNTERS POINT ANNEX

Encl: (1) Navy Response to Agency Comments on the Draft Final Ecological Risk Assessment Work Plan Addendum, Naval Station Treasure Island, Hunters Point Annex, San Francisco, California, dated November 5, 1992

On behalf of the Navy, we are forwarding enclosure 1 which is delivered in accordance with the Naval Station Treasure Island, Hunters Point Annex Federal Facility Agreement. This enclosure consists of the Navy Responses to Agency Comments on the Draft Final Ecological Risk Assessment Work Plan and the revised pages of the Draft Final Work Plan that incorporate the applicable comments. The revised pages are intended to supersede those pages in the existing Draft Final Work Plan dated September 9, 1992. Revised pages are denoted with a "Revised November 5, 1992" footnote in the lower right corner of the page to distinguish them from the earlier version. Because of the minor nature of the comments on the Draft Final Work Plan, the Navy proposes that this submittal, together with the Draft Final Work Plan, constitutes the Final Work Plan.

Should you have any questions regarding these matters, the point of contact is Commander, Western Division, Naval Facilities Engineering Command (Attn: Wing Wong, Code 1811WW, (415) 244-2537).

Submit written comments, if any, to Commanding Officer (Attn: Jim Sullivan, Naval Station Treasure Island, Bldg. 1 (Code 84), San Francisco, CA 94130), with a copy to Western Division, Naval Facilities Engineering Command (Attn: Louise T. Lew, Code 1811), 900 Commodore Drive, San Bruno, CA 94066-2402.

Very truly yours,

A handwritten signature in cursive script that reads "Gary Welshans".
