Subj: PARCEL B INFORMAL DISPUTE

Dear Mr. Kao:

In accordance with the Hunters Point Shipyard Federal Facilities Agreement, the Navy is currently working to resolve your concerns regarding the Parcel B institutional controls; specifically the language in Appendix A to the Remedial Design Work Plan. We respectfully request an extension of the informal dispute period from July 2, 1999 to July 7, 1999 to address this issue.

Regardless of whether or not we are able to satisfy your request on July 2, EPA has asked that an additional extension to July 28, 1999 be granted to resolve their concerns with the content of the Land Use Controls Implementation Plan.

If you have any questions regarding this letter, please contact me at (650) 244-3048.

Sincerely,

MICHAEL E. MCCLELLAND
