Subj: INDUSTRIAL WASTEWATER DISCHARGE PERMIT 98-0301

Dear Mr. Medbery:

As required by industrial wastewater discharge permit 98-0301, this letter provides the January/February 2000 monthly discharge volume report for the groundwater extraction system located in Site IR-1/21, Industrial Landfill, Hunters Point Shipyard. The total flow discharged from the system during the period of January 24, 2000 to February 17, 2000 was 368,893 gallons.

If you have any questions, please contact Ms. Julie Crosby, at (619) 532-0932, or the undersigned at (619) 532-0913.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard G. Mach Jr.", written over a circular stamp or mark.
