Subject: Comments on the *Draft Final Radiological Addendum to the Remedial Investigation/Feasibility Study Report for Parcel E-2, Hunters Point Shipyard, San Francisco*, dated March 2, 2010

Dear Mr. Forman:

I reviewed the subject document and have no substantive comments. I also reviewed comments provided by the California Department of Toxic Substances Control (DTSC) dated April 1, 2010. I concur with the DTSC comments and look forward to the resolution of DTSC's Specific Comments #10 (Section 4 – Nature and Extent of Radionuclides in Groundwater) and Specific Comment #12 (Section 12.1 – Radiological-Specific Tasks Common to Alternatives 2, 3, and 4).

Please contact me at (510) 622-2445 or rsteenson@waterboards.ca.gov if you have any questions.

Sincerely,
