**SAN FRANCISCO BAY AREA RAPID TRANSIT DISTRICT**  
 NOTICE OF PUBLIC HEARING ON EXTENDING BART'S INFLATION-BASED FARE INCREASE PROGRAM AND MODIFYING BART'S PAID PARKING PROGRAMS  
 9:00 A.M. THURSDAY, FEBRUARY 14, 2013

NOTICE IS HEREBY GIVEN THAT: On Thursday, February 14, 2013, at 9:00 a.m. in the Board Room, 344-20th Street, Third Floor, Oakland, CA 94612, pursuant to the direction of the Board of Directors, the District will convene a hearing for the purposes of hearing comments on extending BART's inflation-based fare increase program and modifying BART's paid parking policies. Under the proposed extension of BART's inflation-based fare increase program, BART fares would increase in 2014, 2016, 2018, and 2020 by the amount calculated through application of the productivity-adjusted Consumer Price Index-based formula, as adopted by the BART Board in 2003 in Resolution 4885. Under Resolution 4885, BART has implemented four inflation-based fare increases, the first in 2006 and the last in 2012. The actual fare increases to be implemented in 2014, 2016, 2018, and 2020 would be calculated using actual inflation. The proposed change to BART's paid parking programs would be to author-

ize the increase in up to 50¢ increments for daily parking fees and reserved permits at parking lots that are consistently full. Under Resolution 4948, BART established criteria for implementing a \$1 daily parking fee in East Bay BART stations, and demand pricing for monthly and single day reserved parking. Under Resolutions 4853 and 4875, BART established criteria for demand pricing between \$1 and \$3 for daily parking fees in the West Bay BART stations. Increased parking fees could raise up to \$11 million annually and would help cover the ongoing maintenance costs of operating BART's 46,735 parking spaces. Additional revenue would also be used for general operating and certain capital expenses. The full Board of Directors may be asked to take action at a future meeting to approve the proposed extension of the existing inflation-based fare increase program and modifications to parking fees. For more information about the inflation-based fare increase program, contact Pamela Herhold at 510-464-6168. For more information about modifications to paid parking programs, contact Bob Franklin at 510-464-6133. Comments may be made at the hearing or should be sent to: Kenneth A.  The beginning bid for each Lot will start at 98.5% of the spot or melt value of gold at the close of the commodities market on the day of the sale. No Lot will be sold for less than 98.5% of the spot or melt value.

The estate's sale of the aforementioned gold bullion coins may be subject to Nevada sales tax. The Administrator is in the process of seeking an "occasional sale" exemption from the Nevada Department of Taxation pursuant to NRS 372.320. If such exemption is not obtained prior to the date of the sale, Nevada sales tax will be collected on all sales unless a valid resale certificate is presented pursuant to NRS 372.155. If such an exemption is obtained after the date of the sale, any sales tax collected will be returned to the successful bidder(s).

All potential bidders at the public auction must pre-qualify with the Administrator prior to being permitted to bid at the public auction. Potential bidders may contact the Administrator at 885 East Musser Street, Suite 1028, Carson City, Nevada 89701, telephone number being 775-887-2260 or E-mail at Aglover@carson.org to obtain a pre-qualification packet. 2. If potential bidders intend to pay for any Lot using a certified or cashier's check, the potential bidder must obtain an authorization form from the bank issuing the certified or cashier's check authorizing the Administrator to contact the bank on the day of the sale to verify the existence of funds in a successful bidder's account.

In accordance with NRS 148.060, the sale of each Lot to the successful bidder will be confirmed by the Court before title to the property passes to the successful bidder pursuant to NRS 148.060. Pursuant to the Court's order, the successful bidder will have twenty-four (24) hours to make payment by either wire transfer, certified or cashier's check, or cash. Once payment has been verified by the Administrator, title to the Lot of coins will be transferred to the successful bidder. If payment by a twenty-four (24) hours is not made within twenty-four (24) hours of the sale, then the successful bidder forfeits its deposit of Twenty Thousand and No/100 Dollars (\$20,000.00) and may be liable to the estate for any damages incurred due to the successful bidder's failure to close the sale.
