Dear Ms. Gillette:

The intent of this letter is to confirm the agreements reached during our tele-conference of 14 March, 1994. As discussed, your specific comments will be incorporated into the text of each document as well as modifying the executive summary to ensure consistency between Long Beach Naval Station, Long Beach Hospital and the Salton Sea Test Base Community Environmental Response Facilitation Act (CERFA) documents.

In addition, our letter dated 9 March 1994, set milestones for addressing your concerns. Pursuant to our tele-conference these milestones should be revised to indicate that the final CERFA documents will be transmitted to you on or about 31 March 1994 with concurrence by your office no later than 19 April, 1994.
