

## **PUBLIC NOTICE**

### **ENVIRONMENTAL INSTALLATION RESTORATION PROGRAM**

On Wednesday, July 14, 1993, Long Beach Naval Complex will present information about the Environmental Installation Restoration Program at the Naval Complex. The public meeting will be held at 7:00 p.m. at the Commissioned Officers Club (Building 24), Long Beach Naval Station. Those interested in attending this meeting should enter the Naval Station at the Navy Way Main Gate entrance.

The general public is invited to meet representatives from Long Beach Naval Complex and regulatory agencies, ask questions, and voice their concerns regarding environmental activities planned for the Naval Complex.

Copies of documents pertaining to the planned environmental activities are available at Long Beach Public Library (310/437-2949), San Pedro Public Library (310/548-7779), Wilmington Public Library (310/834-1082), and Long Beach Naval Station Library (310/547-7349).

For more information regarding the Environmental Installation Restoration Program at the Long Beach Naval Complex or to be put on a mailing list to receive information, please contact LT Karl Johnson, Long Beach Naval Station Public Affairs Office (310/831-8729) or Claire Best, California Department of Toxic Substances Control (310/590-4949).
