Subj: INSTALLATION RESTORATION PROGRAM (IRP) TRC

- o We had a meeting with SWDIV and CAPT Penell last week on establishment of the NAVSTA/NSY Technical Review Committee (TRC).
- o Members of the TRC will include various regulators from Federal, State and local levels, plus an unaffiliated community rep that we will identify IAW DTSC guidance (expect to identify by end of April).
- o Expect first TRC meeting to be in July, after we have the SI report in hand, and therefore, something to review.
- o I need your desires as who from NAVSTA should be members of the committee and how the chairmanship should be done, so that we can finalize and establish the TRC.

MEMBERSHIP:

- o SWDIV recommended we have have a lawyer and a PAD type on the committee.
- o Recommend: NAVSTA N9 (and NSY have their own lawyer)
SURFGRU PAD (LCDR Chesser) (and NSY have their own
PAD rep if they want)
NAVSTA N46, Yi Hwa Kim

CHAIRMANSHIP:

- o Options:
 - (1) Alternating chair between NAVSTA and NSY every other meeting.
 - (2) NAVSTA and NSY co-chair.
 - (3) One or the other of NAVSTA/NSY be chair.
 - (4) SURFGRU rep be the chair.
- o Recommend: NAVSTA Staff Civil Engineer and NSY Public Works Officer co-chair.

How would you want to be involved? As a co-chair, and me as the assistant?
