**RESPONSE TO COMMENTS - DRAFT GROUNDWATER INVESTIGATION WORKPLAN FOR
IRP SITES 9, 12, AND 13 AT THE LONG BEACH NAVAL SHIPYARD, LONG
BEACH, CALIFORNIA (FILE NO. 90-75)**

We have received and reviewed the Navy's Response to agency comments on the Draft Groundwater Investigation Workplan for IRP Sites 9, 12, and 13, at the Long Beach Naval Shipyard, dated June 12, 1997. Staff also discussed the Navy's responses with the Navy and their contractors on June 10, and June 12, 1997. Our comments on the draft document have been appropriately addressed. We have no objection to the workplan being implemented at this time.

If you have any questions or comments regarding the above, please contact Hugh Marley at (213) 266-7669.

J.E. ROSS, Unit Chief
Site Cleanup Unit
