FINAL PRELIMINARY ASSESSMENT (PA) FOR 25 GROUP B AREAS OF CONCERN (AOCs) AT LONG BEACH NAVAL SHIPYARD, LONG BEACH CALIFORNIA (FILE No. 90-75)

We have received and reviewed the Draft PA for 25 Group B Areas at the Long Beach Naval Shipyard, dated February 19, 1998. Our comments are as follows:

- Section 4.2-3 states that the force main lines are typically less than 100 feet long. However, Figure 4.2-1 depicts lines that are significantly longer than 100 feet. Please modify Section 4.2-3 accordingly.
- Page ES-4 and 7-3 state that the force main lines did not leak. However, no pressure tests or investigations were conducted to support the statement. Please modify the statements to say that there were no known or reported leaks in the force main lines.

If you have any questions regarding the above, please contact Hugh Marley at (213) 266-7669.

J.E. ROSS, Unit Chief
Site Cleanup Unit
