San Diego, California 92132-5181

Dear Mr. Baer:

FINAL WORK PLAN ADDENDUM No. 1 FOR GROUP B AREAS OF CONCERN INVESTIGATION AT LONG BEACH NAVAL SHIPYARD, LONG BEACH, CALIFORNIA

The California Department of Toxic Substances Control (DTSC) has completed its review of the *Final Work Plan Addendum No. 1 (FWPA No. 1) for Group B Areas of Concern (AOC) Investigation at Long Beach Naval Shipyard, Long Beach, California*, dated July 1998. The *Final WPA* was prepared by Long Beach Naval Shipyard (LBNSY) Environmental Division, Code 1170 for Southwest Division Naval Facilities Engineering Command.

A Preliminary Assessment (PA) was performed in March 1998. These nine AOCs were identified as sites that were likely to have experienced environmental impacts from past use, storage, or disposal of hazardous substances. The *Final FWPA No. 1* addresses these nine additional AOCs which were recommended by the PA to require additional sampling to complete the site evaluation. DTSC is satisfied with the response to comments submitted by the Navy for the *Final FWPA No. 1* and has no additional comments on the document. As a result, the Department hereby concurs with this *Final FWPA No. 1*.

Ms. Kurt Baer
