MAR 1 1988

Ms. Lila Tang
San Francisco Bay Region
California Regional Water
Quality Control Board
1111 Jackson Street, Room 6060
Oakland, CA 94607

Dear Ms. Tang:

Mare Island Naval Shipyard is transmitting one copy of the document entitled "Soil and Groundwater Investigation Building 225, Mare Island Naval Shipyard, Part I." This document has been prepared under Navy Contract N62474-87-C7120.

The above report is submitted in partial fulfillment of paragraph C.5.b. of the Waste Discharge Requirements issued December 21, 1987. Part II of this report is currently under preparation and will be submitted by March 31, 1988.

Any questions on these topics can be directed to Dr. Richard S. Della Valle, Environmental Engineer, Mare Island Naval Shipyard, Code 461.4, telephone number (707) 646-3375.

Sincerely,

A handwritten signature in dark ink, appearing to read "J. F. Bare".

J. F. BARE
Commander, CEC, USN
Assistant Public Works Officer
By direction of the Shipyard Commander
