Mare Island Navy Draft Final Water Quality Sampling and Analysis Plan, Revision 2, Investigation Area H1 RCRA/Facility Landfill and IWTP Surface Impoundments, Groundwater Evaluation Monitoring Program, dated 7/2005, as modified by 8/22/2005 Weston Solutions, Inc. letter with enclosed change pages

Dear Mr. Dunaway:

The Department of Toxic Substances Control has reviewed the subject documents. As the subject documents have adequately addressed all outstanding issues, DTSC has no further comments at this time on the current Draft Final Water Quality Sampling and Analysis Plan. Please note that any subsequent adjustments to the sampling and analysis plan need to be done in accordance with Title 22 requirements of the California Health and Safety Code and with DTSC concurrence.

Should you have any questions regarding this letter, please call me at (510) 540-3773.

Sincerely,

Chip Gribble
