Dear Mr. Dunaway:

Navy Mare Island Draft Final Unexploded Ordnance Intrusive Investigation Summary Report, South Shore Area, dated 1/2003

The Department of Toxic Substances Control has reviewed the subject document. We have no further comments on the draft final report and the Navy responses to agency comments on the previous draft. As was stated in the report, further evaluation should be conducted for this area to address the post intrusive investigation ordnance and explosives issues.

Should you have any questions regarding this letter, please call me at (510) 540-3773.

Sincerely,
