RE: Quarterly Report for April through June 2010, Permit No. 016V4953

Weston Solutions, Inc. (WESTON) presents the quarterly report which covers April through June 2010 for the Area H-1 Extraction Trench System.

No problems and/or violations have been identified during this period of operation. The System was operated from April 1, 2010 through the end of the quarter. There were no shut downs during this period of operation. The June sample results were below the applicable VSFCDD discharge criteria. This report covers the following information:

- Flow data
- Samples and results collected during this period
- Preventive and corrective maintenance performed

You may contact me at 707-562-3352 or e-mail me at dwight.gemar@westonsolutions.com if you have questions or require any additional information.
