RE: Response to EPA comments on Draft Sampling and Analysis Plan (Field Sampling Plan/Quality Assurance Project Plan) Soil and Groundwater Sampling at the Horse Stable Area and Building 505 Underground Storage Tank (UST) Sites at Mare Island, Vallejo, California" dated September 18, 2003

Dear Mr. Dunaway:

EPA has reviewed your response to our comments on the above referenced document. We have also discussed our comments with DTSC, as they had indicated they would adopt our comments as their own, and we have reached an agreement as to our joint agency position on this sampling plan. We have no further comments on this plan.

Thank you for the opportunity to review this report. If you have any questions, please call me at (415) 972-3150 or Emily Roth at (415) 972-3175.

Sincerely,
