Gentlemen:

In response to your letter T-4-4 of 21 October 1986, we have received the necessary approvals for the sealing of wells 14M1 and 14M2 at NAS Moffett Field. We ask however, that if possible, the associated structures be left intact. To avoid any further delay please contact ENS John Heckmann at (415)966-5346 in order to coordinate the sealing process.

Sincerely,

D. M. MCARTHUR, JR.
