Gentlemen:

Enclosed for your review is the Final Report completed by ERM-West for the Investigation of Potential Soil and Groundwater Contamination. This investigation was completed on sites near tanks 19 and 20, tank 66 (sump), and tanks 67 and 68 at Naval Air Station, Moffett Field. Tank numbers were identified in the Hazardous Materials Underground Storage Tank Study completed June 1986.

If there are any questions about this study please contact ENS Heckmann at (415)966-5346.

Sincerely,

*H.H. Davis*
