Gentlemen:

Enclosed for your review is the Final Report completed by ERM-West for the Underground Tank Testing Study. Seven tanks were identified as a leaking system and corrective actions are indicated in the study. Tanks indicated for closure are scheduled in FY88.

If you have questions or comments please contact ENS Heckmann at (415)966-5346.

Copies of this report were also sent to United States Environmental Protection Agency, Santa Clara Valley Water District, Department of Health Services, Camp Dresser and McKee Inc., Santa Clara County Health Department, and State Water Resource Control Board.

Sincerely,

H.H. DAVIS, Jr.
