Dear Mr. Sutcliffe:

In reference to your letter of January 29, 1988, I would like to thank you for your assistance and recommendations on Wells 14M1 and 14M2. We are planning now to include these wells under our contract for groundwater investigation. The cost estimate which you provided will be helpful in negotiating closure of these wells. We will continue to keep you informed of our progress and findings as they pertain to your office.

If you have any questions, please contact Ensign John Heckmann at (415) 966-5330.

Sincerely,

A handwritten signature in black ink, appearing to read "J.G. Sims".
