Subject: **Site 22 Draft Record of Decision Response to Comments**

Dear Ms. Muckerman and Mr. Doctor:

Thank you for the August 8, 2001 Response to Comments and the August 24, 2001 letter with the FFA Schedule for Site 22 landfill. RWQCB answer to comments number 3 and 12 were presented in our Friday, August 24, 2001 E-mails, i.e.: "the fundamental controlling factor for the RWQCB is inclusion of the Basin Plan as an ARAR and not the technical arguments."

The other responses appear to address RWQCB comments. If you have any questions, please contact me at (510) 622-2353 or E-mail to avc@rb2.swrcb.ca.gov.

Sincerely,

Adriana Constantinescu, RG
Project Manager
