Re: Moffett Federal Airfield Site 22 Draft Record of Decision
Response to Comments Extension

Dear Ms. Muckerman and Mr. Doctor:

I have received your request to extend the period for responding to comments on the draft Record of Decision for Site 22 of Moffett Federal Airfield. Since EPA and the state Regional Water Quality Control Board (RWQCB) submitted comments past the original due date, it is to be expected that the Navy would require additional time to respond to these comments. I concur with your new submittal date of August 15, 2001.

Sincerely,

/s/Carmen White

Diane, here is the EPA's concurrence with the Navy's extension request (see AR #296). Please add this electronically signed letter & email to the AR for Moffett Site 22.
