

Cornelius feels that spirituality has become abused and over-used. It is not the same as religion, and no one has to be a religious person in order to be spiritual.

However, for people who rarely go to church, getting a grasp on spirituality could be challenging.

"I never had a doubt that there was a God. I just didn't feel close to God," Cornelius states in her book. "It somehow felt right

She says, "Spirituality is the essence of who you are and what you bring into your life. The essence of your spirituality is how you choose to give yourself to others."

"A L.I.F.E. Blueprint" clearly explains the many techniques for expressing spirituality. It's easy to understand because the author provides a narrative account of her own life — starting as an insecure teenager going to church with her friend, Helen, to

The book provides many valuable ideas for spiritual and personal growth. Cornelius has the wisdom of the elder generation, with firsthand knowledge of what it takes to enjoy life.

Many of the ideas can provide a spiritual dimension without the need for a church affiliation.
