RE: CLEAN Contract Number N62474-88-D-5086
Contract Task Order 0134, NAS Moffett Field
Final Field Sampling Plan, Health and Safety Plan, and Quality Assurance Project Plan

Dear Stephen:

Please find enclosed three (3) copies of the Naval Air Station (NAS) Moffett Field Final Field Sampling Plan (FSP) and the Final Quality Assurance Project Plan (QAPjP). Copies of this document are also being forwarded to the regulatory agencies. The point-by-point responses to agency comments on the draft final FSP are also included. Responses to comments on the draft final QAPjP were forwarded under separate cover. No comments were received on the draft final Health and Safety Plan (HSP). Therefore, the draft final HSP should be considered final. In the interest of economy and efficiency, the entire document was not reproduced and only new covers for the HSP are enclosed.

The FSP and HSP were prepared primarily by PRC Environmental Management, Inc. (PRC) with technical reviews by James M. Montgomery, Inc. (JMM). The QAPjP was prepared by JMM with technical reviews by PRC. All documents were reviewed concurrently to ensure consistency and completeness.

If you have any questions or comments regarding these documents, please call me at (303) 295-1101.

Sincerely,

PRC Environmental Management, Inc.

Joshua D. Marvil, for

Joshua D. Marvil
Project Manager
