

accepted \$250 from the Green Party of California.

Schaaf, who said she would not accept any money from interest groups, said there is no conflict.

"The Green Party's rules for donation are the same as mine," she said, adding, "The Green Party is not going to put pressure on me to vote a certain way."

Pear's major donors included the Tri-County Apartment Association, the Mountain View Housing Council, and Diana Wang, owner of Crystal House on Castro Street. Each contributed \$500 to his campaign. Los Angeles-based California Real Estate Political Action Committee chipped in \$450.

Galiotto personally loaned his campaign \$3,000 on top of the \$5,800 he raised from outside sources. The Tri-County Apartment Association and Mountain View Housing Council gave Galiotto \$500 each. Galiotto, a retired police captain, also received a contribution of \$600 from the Peace Officers Research Association of California.

The two other candidates in the race have raised less than \$5,000.

Tom Means raised \$4,906. His primary contributions come from a \$2,060 loan he gave himself and \$500 from the Mountain View Housing Council.

Laura Macias has raised \$4,045. One of her largest donations was \$500 from the Tri-County Apartment Association; other significant contributions came from family members.

Disclosure reports are posted on the city's Web site within five business days of the filing deadline. The next filing deadline is on Oct. 21. ■

Site 25 Open House Former NAS Moffett Field

The U.S. Navy invites you to an open house being held for the public on cleanup plans for Site 25, which includes NASA's Stormwater Retention Pond and Midpeninsula Regional Open Space District's Stevens Creek Shoreline Nature Study Area.

The open house will be held:

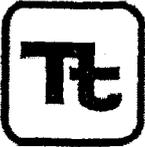

On: Thursday, October 14 from 5 to 9 p.m.
At: Mountain View City Hall
4th Floor Gallery
500 Castro Street
Mountain View, CA 94041

The Navy is developing cleanup levels and alternatives for Site 25 that would allow property owners to implement tidal marsh restoration in the future. These alternatives will be evaluated along with others previously developed for the seasonal wetland land use.

During the open house, Navy, NASA and regulatory representatives will answer questions and concerns about the environmental cleanup at the site. We encourage you to attend this open house and hope to see you there!

For further information about the open house or Site 25 cleanup, please feel free to contact Ms. Andrea Espinoza, Navy BRAC Environmental Coordinator, at 619-532-0911 or andrea.espinoza@navy.mil.

The Navy welcomes your input!
