RE: Naval Air Station Moffett Field
Draft Additional Tank and Sump Field Investigation Technical Memorandum

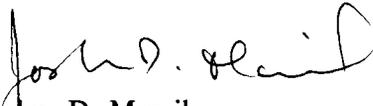

Dear Stephen:

Enclosed are three copies of the draft additional tank and sump field investigation technical memorandum for your review. Additional copies are being forwarded to the regulatory agencies for review. The field investigations included soil borings, monitoring well installation, ground-water sampling, and subsurface soil sampling near four former tank and sump sites.

If you have any questions, please call me at 303/295-1101.

Sincerely,

PRC Environmental Management, Inc.
