RE: Naval Air Station Moffett Field
Draft West Side Aquifers Field Investigation Technical Memorandum

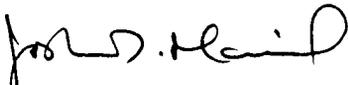

Dear Stephen:

Enclosed are three copies of the draft west side aquifer field investigation technical memorandum for your review. Additional copies are being forwarded to the regulatory agencies for review. The field investigation included soil borings, monitoring well installation, ground-water sampling, and subsurface soil sampling at locations on the western side of Naval Air Station Moffett Field.

If you have any questions, please call me at 303/295-1101.

Sincerely,

PRC Environmental Management, Inc.
